

A joint initiative between True Colors Delft and International School Delft

A joint initiative between True Colors Delft and International School Delft

We are delighted to inform you that True Colors Delft (TCD) has started a cooperation with the International School Delft (ISD). As part of this collaboration, we will be bringing together the children aged 3 and 4 years in a new 0/1 group.

The aim of the new 0/1 group is to combine the forces of the school and daycare, as part of our strategy to stimulate the continuous learning path between TCD and ISD, and enable the children to make a smooth and natural transition into primary school. The 0/1 group is intended for children who are currently 3 years of age and who will turn 4 in the coming schoolyear, and will be going on to ISD.

The 0/1 group will have a maximum of 16 children aged 3 and 4 years. The group, which will focus on learning through play, will have one teacher from ISD and one pedagogical member of staff from TCD.

The new group will follow school hours and teaching periods (40 weeks):

- Monday, Tuesday and Thursday from 08.15 – 14.45

At 12.30 on these days, the children will be served a Dutch sandwich lunch together, with a fresh vegetable snack. After lunch, there is outdoor playtime until 13.30.

- Wednesday and Fridays from 8.15 – 12.30

Both indoor and outdoor activities for the children will take place at ISD.

Register via the website. For more information contact the location manager.
